Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Thursday 25 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry, bright and breezy today. Rain arriving tomorrow.

Today:
Most places will have a dry, bright and breezy day with variable cloud and good spells of sunshine. The odd shower is possible during the afternoon in the south. Feeling mild. Maximum temperature 15 deg C (59 deg F).

Tonight:
Becoming windy overnight with variable amounts of cloud but still with some lengthy clear spells. Some showery rain is possible later in the night, although many will remain dry. Minimum temperature 7 deg C (45 deg F).

Friday:
A spell of heavy rain will cross the region through late morning with strong winds. Skies will brighten during the afternoon with scattered showers, perhaps wintry over the Peak District. Maximum temperature 13 deg C (55 deg F).

Outlook for Saturday to Monday:
Chilly, bright and breezy on Saturday with showers fading. Windy and milder on Sunday and Monday but mainly dry and bright although some rain possible over western hills.
